# The next-generation of sustainable office buildings

Set within 5 acres of landscaped grounds, Elmbridge East provides the perfect working environment for your staff.

# Working with the environment

Building upon the success of Elmbridge Court, the neighbouring development of Elmbridge East will boast an impressive specification and Grade A office space.

Staff can enjoy a healthier approach to work with direct access to the park via the cycle network between Gloucester and Cheltenham. The specification for Elmbridge East will include bike storage and showers and its wellness credentials are further enhanced with break-out space and landscaped external areas.

EV charging points will be provided and dedicated to each suite and roof mounted solar PV panels provided.
